Forecast For East of England
Issued by Met Office Exeter
at 0400 on Sunday 28 Feb 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry and bright with sunny spells.

Today:
Fog will lift to cloud this morning, then clear to plenty of sunny spells. Remaining largely dry with light winds, helping it to feel rather mild. A chance of some fog lingering near coasts. Maximum temperature 12 deg C (54 deg F).

Tonight:
Some clear spells initially this evening, but soon becoming chilly. Large areas of low cloud and fog will develop in the east, spreading westwards through the night. Minimum temperature 1 deg C (34 deg F).

Monday:
A largely dull start on Monday with widespread low cloud and fog. Some brightness developing in the west later as cloud burns back to coasts. Rather foggy once again overnight. Maximum temperature 9 deg C (48 deg F).

Outlook for Tuesday to Thursday:
Cloudy on Tuesday and Wednesday mornings with sunny spells developing in the afternoons. Turning cooler on Thursday with outbreaks of rain or drizzle and mostly cloudy skies.
